

Lives On Inside

HURRICANE PRIDE LIVES ON...INSIDE EACH OF US

For generations, Hartford High School students, families, faculty, staff, and administration

*- along with thousands of loyal and faithful fans and alumni
- have known what it means
- what it feels like - to be a Hurricane.*

Whether it's football, soccer, lacrosse, baseball, field hockey, cross country, softball, or track, we've gathered around our fields to support and cheer on our friends and classmates. Rain or shine; win or lose; heartbreak or championship.

Now it's time to show our pride to everyone who walks through our gates. Will you help us achieve our goal?

NOTHING CAN STOP A HURRICANE...

Whether you're the first, second, third, or fourth generation in your family to attend Hartford

High School, or you simply love the Upper Valley and everything it has to offer; once you've caught the Hurricane spirit, it lives deep inside of you.

Now, we want to show the world what being a Hurricane really means.

To commemorate and honor the generations of scholars, athletes, artists, and community members who've passed through Hartford High School, we are hoping to build Legacy Park at the Alumni Athletic Complex. Our plan is to give the Hurricane faithful a focal point on campus; a place to meet up and reconnect with friends from the past; a place to meet new friends; and a place to support the Hurricanes to come!

We are all so fortunate to live in a community that supports and takes pride in its schools. The Legacy Park project hopes not only to capture that spirit of giving, but also to celebrate the immense school pride we all share in being a Hartford Hurricane.

Generations of Hurricane families – and their fans – have walked through our gates and played on our fields. And we look forward to welcoming many more. That's why we're asking for your help in making Legacy Park a reality.

Every donation to this campaign – large or small – will go toward improving our athletic campus, starting with the construction of the Alumni Arch as the grand entrance to Legacy Park.

So contact your friends, far and near, and ask them to show their pride by joining their classmates in making a donation. **Every class that reaches the target gift level of \$2,500 will have its year of graduation proudly added to a brick on the Alumni Arch.**

Being a Hurricane is more than athletics; more than winning championships; more than just showing your school spirit. It's about looking deep inside and realizing you were part of something special; and you are *still* a part of something special. If you've ever walked through these halls; if you've ever been educated in these classrooms; if you marched in the band; acted on stage, or played on a team; then you know what it means to be a hurricane.

Let's show the world that nothing can stop a Hurricane.

As a family of scholars and athletes, parents and students, teachers and staff, fans and alumni, let's build Legacy Park, and let's show them what Hurricane Pride is all about.
