

Hartford High School Counseling Updates

June 9, 2017

JUMPSTART YOUR COMMUNITY SERVICE REQUIREMENT

Hartford High School students are required to complete 40 hours of documented community service in order to graduate. Students need to complete the Community Service forms that are available in the front office to document their community service hours. This is school board policy.

Infinite Campus (IC)- Students may check the status of their community service hours by signing into their IC account and clicking on the community service tab.

TAKE A BITE OUT OF HUNGER

Hello, please take a minute to consider the following volunteer opportunity. The School Board supports this program by allowing them to prepare the lunches in our middle school cafeteria. Our official liaison to the HCC is Nancy Russell, who spends a lot of time volunteering to organize this program as well as make and deliver lunches all over Hartford.

Please see below if you are interested in helping. Thank you for considering helping.

The Hartford Community Coalition's *Take a Bite out of Hunger* program is seeking volunteers to help with packing lunches this summer. Last summer we supplied more than 12,000 breakfast and lunches to families and children in Hartford-we could use your help!

This volunteer opportunity is family friendly, children 8 and older accompanied by an adult are great helpers. This project can count as community service hours for HHS students. Hours are Monday-Friday 9:00-11:00am at Hartford Middle School Cafeteria. Sign up for one day or several days, whatever works for your schedule.

Please use the doodle poll in this link to sign up, use your email address in the name field so we have a way to contact you. We need four volunteers per day.

<https://doodle.com/poll/ihupw6qn6c8d22pb>

Please email questions to us at
wecare.hartford@gmail.com.

NATIONAL PARKS Seek Volunteers (Valley News- Sunday 4/23)

The Upper Valley's two national parks are looking for volunteers for the 2017 season. A variety of positions are available, with time commitments ranging from several hours per week to a single day. Contributing even one hour of service will make a positive impact, and all volunteers will be invited to an end-of-season celebration, according to a news release from the parks.

Prospective volunteers can learn about the work from current volunteers and staff members at information sessions on Wednesday, from 10 a.m. to noon, at Marsh-Billings-Rockefeller National Historical Park, and Saturday, from 10 a.m. to noon, at Saint-Gaudens National Historic Site.

The volunteer jobs include staffing welcome desks, helping with events, teaching visitors about the parks and engaging in citizen science. Dogs, which serve as "bark rangers," are also welcome. The parks provide training and support, a uniform shirt and hat, and materials, tools, and equipment, the release said. No experience is required.

To RSVP, contact Mary Merges at 802-457-3368, ext. 222, or Mary_Merges@nps.gov, or Greg Schwarz at 603-675-2175, ext. 107 or Gregory_C_Schwarz@nps.gov.

DARTMOUTH HITCHCOCK - Volunteer Services Office

They are offering a 10 week summer program where they ask each volunteer for 10-12 hours per week. They are creating high school age volunteer opportunities where in return for a certain number of hours students receive leadership experience, letters of recommendation, etc.

If any student is interested in starting to gather their 40 hours of documented community service in order to graduate this may be a great opportunity for you. For more information contact Marcy Sanborn in the Volunteer office at 603-650-7056

SUMMER OPPORTUNITIES

**Academic Skills Center
at Dartmouth College
Summer, 2017**

COLLEGE LEARNING STRATEGIES COURSE

Students will learn active and effective learning strategies that will prepare them for college level learning.

Topics Include: Reading: Increased Rate and Comprehension; Writing College Papers & Essays; Learning & Memory Strategies; Assessing Your Learning Style; Library & Research Skills; College Admissions Process; Listening & Note Taking; Time Management
For more information or to register call 603-646-2014 or EMAIL
Flyers are also available in the Counseling Office.

NATIONAL SUMMER TRANSPORTATION INSTITUTE

NSTI is a fun, interactive, FREE camp held at Vermont Tech. The residential camp is for students entering 10th, 11th, or 12th grade in the fall. The day camp is for middle-school students. The NSTI is sponsored by the Vermont Agency of Transportation and funded through a grant from the Federal Highway Administration.

Residential: July 16-21 @ Vermont Tech, Randolph Center, VT for High School Students

Day-Camp: August 7-11 @ Vermont Tech, Williston Campus, for Middle School Students Go to [VTC Summer](#) for additional information and to apply.

Wentworth continues to receive and process applications for Fall 2017. Additionally, merit scholarships are still available for admitted students. Your students can apply at www.wit.edu/apply and should do so soon. Majors will close once capacity is reached. We currently have almost 1100 enrolled students across our 17 majors.

For interested students [this video](#) provides a glimpse of Wentworth's beautiful campus in the heart of Boston.

Students that have questions, please email admissions@wit.edu or call 617-989-4000.

Just a reminder that graduating seniors are STILL eligible to take B2C

courses at **River Valley Community College** (RVCC) over the summer for the reduced tuition rate of only \$300 per 3-credit course! A great way for students who are planning on attending a

four-year institution in the fall to get a jump start on some general education courses for transfer!

Juniors are also eligible! Please view our Summer 2017 course schedule here:

http://www.rivervalley.edu/sites/default/files/content/SUMMER2017_SCHEDULE05092017.pdf

Interested students may contact Jerry Appell to begin the enrollment process: jappell@ccsnh.edu

Our great staff of college and prep coaches armed with a leading edge curriculum, will provide you with the insight, technical know-how, and motivation to raise your level of running to a new high. Stowe's marvelous array of challenging off-road terrain is

simply the best. You'll learn the most proven training methods and review your progress via digitized videotape analysis. You'll learn Fartlek and interval training using heart rate monitors, pool running, speed development and running form, race rhythm, strategy, and plyometrics. There are only a few spots left in Marist's Summer 2017 Pre-College Programs!

What is Marist Summer Pre-College?

- Program offered to rising high school juniors and seniors in high school
- 21 different courses offered on either New York or Italy campus
- Choose 2- or 4-week options
- Students earn 3-6 college credits

Students can get a head start on college and benefit from the following:

- Experience residential life on a college campus
- Earn three transferable college credits
- Meet like-minded students from around the world
- Work in a small classroom environment led by Marist faculty

We are still accepting applications for all of our programs, but space is very limited for the following: Criminal Justice, Business, Sports Communication, and Fashion.

Additionally, we received a grant from our History Department which allows us to offer a limited number of **half-tuition scholarships** for students interested in the [American Military History](#) Program. Spots are filling up quickly, so please email Brian Apfel at brain.apfel@marist.edu for further information if your students are interested.

Have your students apply today to secure their spot in the 2017 Marist Summer Pre-College Program!
